

Officials Information for Countryside

Information that might be unique/specific to Countryside's Classic prelims site include:

- CY's 8-lane scoreboard is new, and swimmers at recent meets are checking out their times instead of getting out of the water, so we will want to remind timers/coaches to remind swimmers to get out first, then check the scoreboard.
- We will provide waters for officials/workers in the natatorium -- water only, because on the bulkhead spilled liquids go through to the pool.
- We have singers for *The Star Spangled Banner* on both days.
- Sunday, the resident church does a poolside Christian service at 8:00. **Please remind officials/coaches/timers that this is an individual and personal choice as to whether any meet attendee would like to be in the pool area during the service.**

After the 8:00 service, **we need to allow sufficient time for everyone – especially swimmers -- who may not have been poolside to be called to the pool and to the blocks for the start of the meet. Our Sunday start time is published and timed at 8:15, so we should have ample time padded in. We will do the Star Spangled Banner just prior to the first event of the day.**

- On Saturday, Countryside will be running youth basketball and all regular programs; on Sunday the resident church has a lease for use of the *entire* facility but consents to allow this swim meet. Therefore we are working within certain constraints on both days:
 - Please park at the South lot (by the outdoor pool).
 - Please enter the YMCA through the Swim Meet Entrance at the child care wing.
 - Building use for **all** Classic meet attendees is restricted to the pool, boys/girls locker rooms, team areas, and concession areas only.Thanks for understanding that by respecting these restrictions, we help insure the future health of the swimming programs and competitions at Countryside!

Thanks to all of you for coming to Countryside's site for the Classic's preliminaries. We have a hospitality room set up for your comfort. If you don't see what you need, just ask! We hope you have a great weekend, and that you will let us know if we can be of any further assistance to you and this competition. For directions, or additional information about Countryside, you can go to our website: <http://www.cytorpedoes.com/2003/winter/meets.html>.

Sincerely,
Leslie Nettling, CY Classic Booster Chair and Entries/Scoring
Brad Isham, Site Manager and Meet Director
