

**2002 Warren County Invitational
High School Swimming Competition
December 21, 2002**

We are pleased that you have chosen to attend the 2002 Warren County Invitational. The Countryside YMCA facility continues to operate at full capacity during swim competitions, so it is important that we stress the following Countryside policies:

IMPORTANT!

Please be sure that your school's participants and spectators know and follow these restrictions!

It is vital that all swimmers, coaches, parents, and spectators adhere to all parking, building entrance, and designated area restrictions when attending a swim competition at Countryside.

Parking and Entering the Building

Please park in the **South Lot** (by the outdoor pool) and use the “**Swim Meet**” (red sign) building entrance at the Child Care wing. Building use during the meet will be restricted to the pool, boys/girls locker rooms, concessions, and team areas only.

Thanks in advance..

for helping us ensure that Countryside YMCA members will continue to have access to the many programs and facilities continuing to operate during our competition.
